

A creative lifestyle for the entire family!

A unique 1500 sq ft home with a wrap around deck, 3 bedrooms, open kitchen/dining area, fabulous windows built with quality materials. Superbly finished with particular care and many well designed features.

∞

A stand alone nearly 1900 sq ft guest cottage/party house with a metal roof, and high quality vinyl siding. This guest cottage has five sleeping areas, a kitchen open to a large family room with a pellet stove, a separate games area with a pool table as well as a separate garage/workshop area.

∞

A unique party house with a hot tub on rails that can easily be moved outside, large sitting area, decks and more!

∞

A two bay oversized boat house with a metal roof and vinyl siding, huge dock and fire pit area at the waters edge.
