

Fabulous one owner home

One minute from Granite Hills Golf Course
John Angus 345-2425

Custom built 1900 sq ft multi level home nestled into the pre Cambrian shield. This spectacular home has large and comfortable family room opening to a wrap around deck, a two-car garage with a workshop and more!

**Perfect kitchen and eating area!
Access to a morning balcony to watch the sun come up with your coffee.**

There is a dining room at one end of the kitchen and a kitchen nook with a serene view at the other.

A near by perfect beach and access to your own dock slip completes this package
